

Advanced Communication day

May 10th 2019

Cost - £75 per person

Where: PICU seminar room

Birmingham Children's Hospital

Start: 09:00 hours

We can offer bespoke courses for your hospital for between 8-12 people. For further details and costing please email rachael.morrison4@nhs.net

This day utilises role players to practice difficult conversations with parents/families or colleagues. The course will develop skills you can use in challenging conversations.

The scenarios will be Paediatric based but the day is aimed at all members of the multiprofessional team who come into contact with children and families with many skills being transferable to adult practice.

To book place please complete survey monkey:

<https://www.surveymonkey.co.uk/r/KIDSNTSADVANCEDCOMMS>

The course does rely on at least 8 participants and may be cancelled if minimum number not met.
