

NEOS

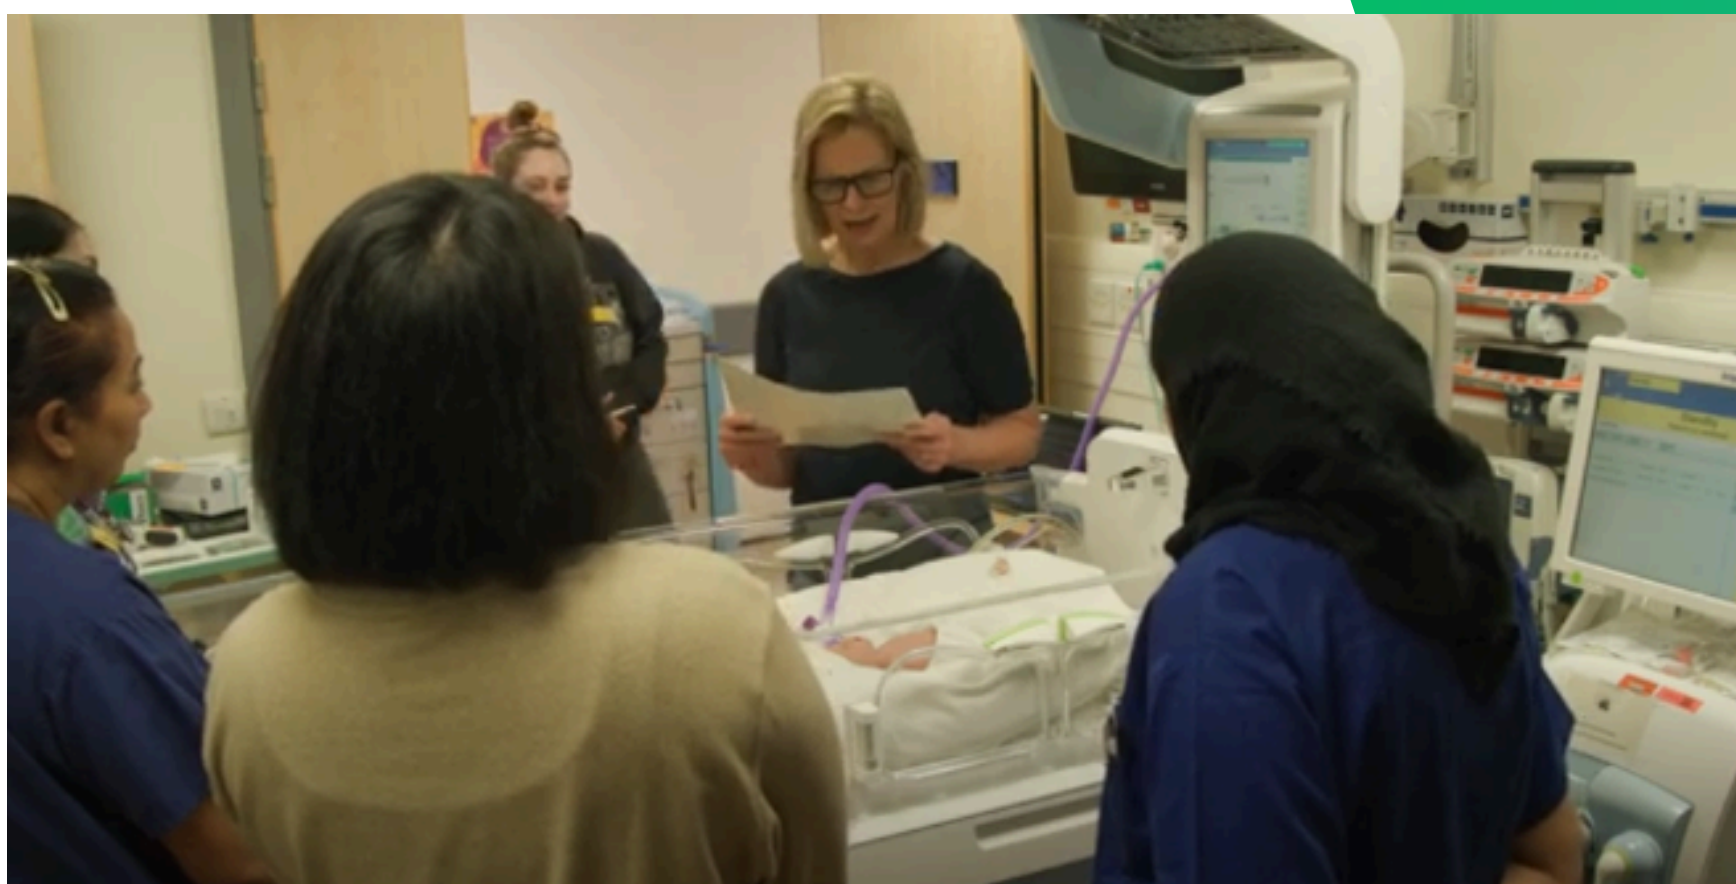

NEONATAL EDUCATION ON SITE

RECOGNITION & MANAGEMENT OF THE SICK NEONATE

Course fee = £1000 (per session)

Half a day is 1 session, full day is 2 sessions.

Each session is 3 hours long with 8 people per session.

- A bespoke course delivered on-site and involves a mix of multi-disciplinary teams at all different levels of their training, including nurses, doctors of all tiers, nursing associates and more.

“Watching the scenarios back is really helpful and gives a realistic oversight of whats happened.”

“Helped to improve my confidence.”

“Allowing us time in a safe environment to explore our learning through the session.”

- High-fidelity simulation in the clinical environment
- Includes a bespoke human factors teaching discussion to help develop the best team.
